SINGLE MALT OLD FASHIONED

At Aura by Rochavau, we don't just serve an Old Fashioned; we create an experience. A drink that embodies tradition and elegance, our Old Fashioned takes it a step further with a distinct touch that only our bar can offer. We start with a **10-year-old Bushmills Single Malt**—a whiskey that blends complexity and smoothness, perfect for those who appreciate a spirit with both depth and character.

We then craft the base, beginning with a **sugar** cube muddled with a few drops of **aromatic bitters** and a splash of water. This creates a sweet, fragrant foundation that perfectly complements the Bushmills, drawing out notes of dried fruit, vanilla, and oak that elevate the experience. Served in a classic rocks glass over ice, we finish with a twist of fresh **orange peel**, releasing a zesty citrus aroma that makes every sip a sensory delight.

Our Old Fashioned is not for those who settle for the ordinary. The balance of sweet, bitter, and smooth is a refined dance, with the Bushmills orchestrating each element. The orange peel adds the final touch, bringing an enticing fragrance and an extra layer of sophistication.

The Old Fashioned is more than just a simple mix; it's a celebration of flavor, tradition, and, of course, the art of creating memorable cocktails.

EXOTIC MOJITO

The Exotic Mojito offers a refreshing tropical twist on the classic, blending the coolness of mint with the exotic sweetness of passion fruit. It starts with **Bacardi rum**, which forms a smooth yet flavorful base. However, the real magic happens when the **passion fruit juice** is added—its exotic sweetness and tangy acidity bring a lively, tropical dimension to the cocktail.

Served in a tall glass over crushed ice, and garnished with fresh mint sprigs, the Exotic Mojito invites you to experience a burst of refreshment, transporting you to a tropical paradise. The balance between the acidity of passion fruit, the freshness of lime, and the smoothness of rum makes for a delightful combination of energizing and sophisticated flavors.

PINK LADY

The Pink Lady at Aura by Rochavau doesn't whisper — she glides in, all frothy and fabulous, and makes herself known. Think of her as the flirty friend who reads poetry, drinks gin, and always shows up in something pastel but makes it fashion.

It all starts with a crisp splash of **white wine** and a clean shot of **Beefeater** — because sophistication needs a solid foundation. Then come the sweet, sultry layers: **grenadine** for that rosy glow, **Chambord** for a touch of black raspberry luxury, and **cranberry juice** to keep things tart and cheeky. A swirl of **egg white** adds that signature silky foam, the kind that says, "I'm extra — and proud of it."

Poured into a coupe glass and topped with a soft, cloud-like crown, the Pink Lady doesn't just look stunning — she delivers. Every sip is a dance between fruit, florals, and finesse, with a finish that lingers just long enough to make you want another.

This cocktail isn't just a drink — it's a moment. A wink. A playful nod to glamour. If you're feeling charming, a little bold, and entirely too fabulous to drink something ordinary... you've just met your match.

ABV: 10-12%

ROCHAVAU FIZZ

Just like Rochavau, this cocktail is a statement of sophistication and freshness. Elegant, with a touch of exclusivity and a dash of local charm. Inspired by the classic Aperol Spritz, but with an added dose of class (as any experience at Rochavau should be), the Rochavau Fizz elevates the tradition of spritz to a whole new level. We combine **Per-Se**, the Portuguese aperitif with 24 botanicals, with a premium **grapefruit tonic**, creating a drink that is both vibrant and complex.

This cocktail is like that perfect moment by our pool—refreshing and light, but with an unexpected depth. Each sip is a balanced mix of citrus notes and subtle spices enhanced with the aroma of an **orange slice**, ideal for those seeking more than just a simple spritz.

In the heart of the Algarve, under the golden sun and gentle breeze, the Rochavau Fizz is the perfect cocktail for moments of relaxation and pleasure, exactly what we offer our guests. Because, in the end, who wouldn't want to savor the freshness of a spritz with the exclusivity that only Rochavau can provide?

ELDERFLOWER SERENADE

More than a cocktail — it's a fleeting moment of elegance captured in a glass. With every sip, you're transported to a world where time slows, and sophistication is effortless.

It starts with the delicate **Saint Germain Liqueur**, a fragrant dance of elderflowers that feels like a breath of fresh air. Then comes the **Cointreau**, adding a burst of citrus to the floral base, perfectly balanced to awaken your senses. The **Bellissimo sparkling wine** bubbles to the surface, its effervescence elevating the entire experience with a crisp, refreshing finish.

This cocktail is a symphony in a glass — floral, citrusy, and sparkling in all the right ways. A twist of lemon or a sprig of mint completes the experience, adding a vibrant touch to the elegance within.

FORMULA ANTICA NEGRONI

Our Negroni is a sophisticated companion—quiet yet irresistibly captivating. At its core is the **Antica Formula Vermouth Rosso**, a vermouth with over 200 years of tradition. Its rich aromas of vanilla, caramel, and spices elevate the classic Negroni into a truly unique experience, reflecting expert craftsmanship.

The signature bitterness of **Campari** is unmistakable, but it's the vermouth that takes charge, skillfully balancing the drink with its velvety, full-bodied profile. **Beefeater Gin** adds a crisp freshness, rounding off the cocktail with a subtle vibrancy that brings it all together. The result is a drink that combines the classic with the modern, blending refinement and accessibility in perfect harmony—like an orchestra where every instrument plays its part.

GOLDEN MARGARITA

An ode to sophisticated love, wrapped in the soft glow of liquid gold. Picture the warmth of the Algarve reflected in a perfectly balanced mix: bold and robust premium **tequila** representing the intensity of authentic passions, with fresh **lime juice** adding a tart kick, echoing the freshness of an unexpected love, while the golden nectar of **agave** gently sweetens the experience, like a well-kept secret. A touch of **Cointreau** brings in a layer of orange sweetness, adding complexity and depth to the cocktail, as if a dash of zest were added to the story.

Served in a glass framed with a glistening salt rim, every detail of this cocktail is designed to captivate. The salt isn't just a decorative touch, but a reminder that love, like life, shines brighter when tempered with a hint of contrast. Each sip combines the flavors in pure harmony, where the citrus, sweetness, and a whisper of orange dance in a perfect symphony.

SKYWALK

The Skywalk at Aura by Rochavau isn't a cocktail. She's an ascent — crisp, ethereal, and with just enough attitude to keep your feet off the ground.

It begins with a classic pour of **Beefeater** — sharp and elegant like a silk scarf in motion. Then, the real lift-off: **Maraschino liqueur** for that grown-up cherry whisper, **crème de violette** for a floral flirtation that borders on scandalous, and **fresh lemon juice** to cut through it all with a citrusy wink.

Shaken until chilled and clear as twilight, it lands gracefully in a coupe — pale lavender, smooth as a jet trail at golden hour. No foam, no fuss. Just clean lines and a violet petal garnish that says, yes, I fly private.

Every sip is a cloudburst: sweet, tart, and perfumed with that slightly mysterious, unmistakably vintage charm. It's the kind of drink you order when you're not afraid to be noticed — but never need to raise your voice.

For those who prefer their nights with altitude and their drinks with a view — Skywalk is your boarding call.

ABV: 18-20%

Flavor Profile: Fruity and floral, with a bright citrus edge, subtle cherry sweetness, and a whisper of violet.

Price: 10€

Sip the Skywalk — and suddenly, walking feels terribly overrated.

COGNAC SIDECAR

We are not just looking at a cocktail, but rather at a luxury journey in the sophistication of a classic car. Here, however, the only danger of pushing the limits is ending up with a smile that's too satisfied. With the iconic **Hennessy VSOP** as the driver, known for its depth and character, and the unparalleled **Grand Marnier**, this cocktail perfectly balances the richness of cognac with the citrus sweetness. Bold fresh **lemon juice** takes the passenger seat, bringing a vibrant acidity that makes each sip unforgettable.

Legend has it that the Sidecar was invented for a gentleman who liked to arrive in style... but with the right balance, just like this cocktail. A true classic that blends tradition with modernity, perfect for those who know that true luxury is not the journey, but the experience.

Whether you're toasting to success or simply enjoying a well-spent evening, the Cognac Sidecar is the ideal partner for moments of pure indulgence. After all, who needs a car when you can drive the night away with a drink in hand?

ABV: 20-25%

Flavor Profile: Rich and complex, with fruity and citrus notes, balanced by the sweetness of Grand Marnier and the depth of cognac.

A perfect cocktail is like a good conversation, always memorable.

AROMA DIPLOMÁTICO

Here, the flavors don't just dance—they govern like true diplomats of the palate, negotiating a treaty between sweet and bitter with mastery! At the heart of this creation is the velvety **Rum Diplomático**, whose rich and full-bodied profile aligns with **Licor 43**, a master of secret diplomatic agreements with its 43 ingredients. The toasty depth of coffee liqueur and the bitter touch of **chocolate bitters** bring the seriousness that this flavor agreement demands.

Like all good diplomacy, there are surprises—what starts as smooth is only the prelude to an intense negotiation between the creaminess of caramel and vanilla and the bold notes of coffee and chocolate. This isn't just a cocktail; it's a summit of flavors, where each sip is a calculated decision that leads to pure indulgence.

Served with the elegance of a successful treaty, the Aroma Diplomático invites long nights and deep conversations. If there's a debate worth closing with a toast, it's this one: the diplomacy of drinks has triumphed, and everyone wins. After all, not all agreements need to be serious... some are simply delicious and indulgent.

Perfil de Sabor: Sweet and luxurious, with notes of caramel, roasted coffee, creamy vanilla, and a subtle hint of dark chocolate.

Price: 13€
